

Mr O - £64,900.00

An iconic part of the Stourport landscape; Mr O was a coffee shop trading from Stourport basin for several years. Sadly the demise of the owner is the reason for the sale. At just over 10 years old, the vessel is in the much sought after cruiser stern reverse layout and would make an ideal liveboard, extensive cruiser or trading vessel. The fit out was clearly of a good standard and whilst some areas look a little tired, with some TLC, it could soon look as good as new
